Kolloquium & Repetitorium zu computerlinguistischen Arbeiten

Sommersemester 2014

Hinrich Schütze, David Kaumanns, Helmut Schmid

Schedule

- Mondays, 14:15-16:30

Instructors

Hinrich Schütze (`hs2012 at cislmu.org`)
David Kaumanns (`david at cis.lmu.de`)
Helmut Schmid (`schmid at cis.lmu.de`)

Credit

To get credit for this class you will have to do the following.

- Give a talk about your thesis
- Write a 200 word protocol of each session of the class. These protocols will be graded.
- Report each week about your progress in writing your thesis
- Give feedback to your classmates on their talks and on their progress reports
